# GROUT & CAULK COLOR SELECTOR

## Power Grout® Ultimate Performance Grout

Power Grout® maximizes performance while providing ease of use. Its unique formulation is highly stain resistant and provides strong, color consistent joints by resisting efflorescence, cracking and shrinking. Recommended for high traffic and wet conditions, and in residential and commercial applications. One universal formula for joints from 1/16" to 1/2" wide.

## InColor™ Advanced Performance Grout

InColor™ grout is a ready-to-use product that provides chemical and stain resistance, color consistency, crack resistance and high strength for heavy traffic areas in commercial and residential installations. Recommended for interior and exterior applications, InColor™ grout is easy to apply and clean off the face of tile during installation. One universal formula can be used on floors or walls for joints from 1/16" to 1/2" wide.

## AccuColor® Premium Grout

A polymer enhanced portland cement grout that's specially formulated to provide highly wear-resistant color consistent joints. Meets ANSI A118.6 specifications.

## AccuColor EFX® Epoxy Special Effects Grout

A 100% solids epoxy with outstanding stain and chemical resistance, excellent UV color stability, and easy installation and clean-up. AccuColor EFX® offers 700+ grout colors to choose from with optional special effect enhancers. Exceeds ANSI A118.3 specifications.
