

Self-Leveling 3x360° Laser with GreenBrite® Technology

Model #: 40-6674
UPC:

Johnson's ultra-bright green beam laser projects three self-leveling 360° planes of laser light for total jobsite coverage up to 200'. This laser offers 3 green beams – one horizontal and two vertical for one-person alignment, leveling and layout using one tool. Robust construction withstands tough jobsite conditions and provides resistance to dust and water. Pulse mode for use with separate detector in bright light or outdoor conditions where beams are not visible.

PRODUCT DETAILS

Includes: Laser with magnetic base, magnetic target, li-ion battery and charger, alkaline battery compartment (alkaline batteries not included), hard-shell carrying case

- GreenBrite Technology - 400% more visible than red lasers
- Projects three self-leveling 360° planes of laser light for total jobsite coverage
- Manual mode allows unit to tilt at extreme angles
- Includes li-ion rechargeable battery pack for long battery life
- Pulse mode for use with green line detector (sold separately)
- Pendulum lock protects laser during transport
- Visual and audible alarms when beyond leveling range
- Laser can be rotated 360° and raised or lowered 2-1/2" when attached to magnetic base
- Multi-functional magnetic base provides strong hold that will not slide

SPECIFICATIONS

Accuracy	+3/16"/50
Battery Life	13 hours
IP Protection Class	IP54
Laser Classification	Class II
Laser Wavelength	515nm±10nm (Green)
Leveling Method	Self-Leveling (Pendulum)
Maximum Power Output	≤1mW
Power Supply	Li-ion
Self-Leveling Range	+3°
Warranty	3 Year Warranty
Working Temperature	14°F to 113°F

APPLICATION

This all-in-one line laser featuring GreenBrite® Technology is ideal for drop ceilings, drywall installation, sprinkler installation, HVAC, ceiling joint and rafter alignment, wallpaper and stenciling/painting, tiling (walls and floors), electrical outlets and switches, install conduit and wiring, track lighting, curtain walls/shower doors, windows, cabinet and countertop alignment, paneling/wainscoting.
