YEARS  
WARRANTY

## FROM INSTALLER TO ARTIST IN A FAST, ACCURATE AND CLEAN WAY.

The ND 7" MAX is a portable tabletop electric cutter ideal to build your signature style in any place. Due to its practicality it is perfect for renovations and small tile jobs. This small yet powerful tile saw is recommended for cutting ceramic, porcelain, stone, and glass tile. The built-in water management system reduces overspray and returns most of the water to the reservoir which makes this ideal for indoor work. And of course, like all of our tools, it's simple, accurate, fast and clean so that you can work more comfortably and efficiently, giving your projects a personal touch.
