NEW TOOL OVERVIEW XTU02T

LXT® BRUSHLESS

FEATURES

- Ideal for mixing drywall mud, plaster, drilling large holes and more
- Variable 2-speed design (0-350 RPM and 0-1,300 RPM) for optimum speed control and mixing versatility
- Variable speed trigger allows the operator to adjust speed to the material or application
- Soft start suppresses start-up reaction for better accuracy
- Extreme Protection Technology (XPT™) is engineered for improved dust and water resistance for operation in harsh conditions
- Protective cover helps prevent battery contamination from mixing compound splash back
- Rubber splash guard reduces mixing compound build up on the tool
- Rubber trigger cover protects the trigger from mixing compound build up
- Trigger lock button for increased operator convenience
- Weighs only 6.6 lbs. with battery for operator comfort
- Side handle for operator comfort and control
