2 **Cut & Drill**

3 Set

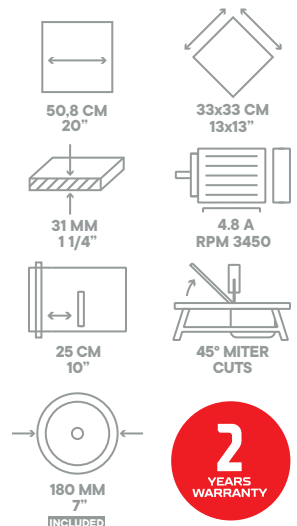

4 Grout

5 Clean

- 1 Portable electric cutter
- 2 Ideal for PROFESSIONAL cut of wall tiles and stoneware, or OCCASIONAL cut of porcelain and other stone materials.
- 3 Perfect for repairs and renovations. Machine suitable for indoor works.

- Stainless steel table with tilting table side for miter cuts. Adjustable for precise miter cuts at 22.5° & 45°
- Extruded aluminium 16" fence. Securely adjusts and lock for maximum support on large format tiles. Simple action lever lock and automatic alignment for fast, accurate repetitive cuts.
- High resistance aluminium guide for angle cuts that slides smoothly along the fence, for diagonal cuts from 0° to 45° at left and right.
- Transparent splash guard provides a clear view of the blade and line of cut for greater alignment precision.
